Join others who have chosen Stonehenge Builders! Your eye for the unusual can only be matched by our craftsmanship, detail, and the warmth of truly hand carved construction. As we assemble your dream project the artisans at Stonehenge Builders will work tirelessly to bring out the spectacular nuances of nature we've grown to appreciate and know that you'll cherish for years..

"A really nice guy! Tom shows pride in his work and his artistic eye surprised me. He builds a real quality product and is willing to give you his insights and incorporate special details for an excellent product. You boys do a damn good job, it looks great!"
Jim. EPA. Annapolis MD.

"It's been a pleasure; you've made the transition enjoyable. I prefer to spend my free time at home since the changes; no-one can believe that it looks like this now."
Rori and Dori, Wheaton MD.

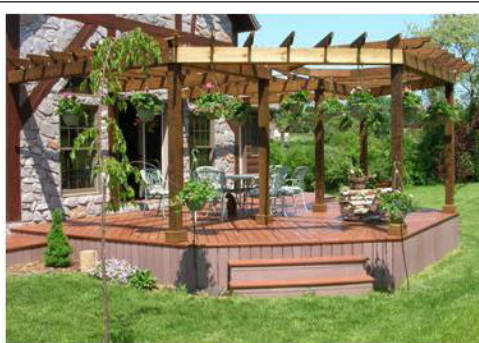

"I know that I've said this more than once - I love what you have done! My home is transformed. You guys are also so very fast, we are incredibly impressed."
Susan. Silver Spring MD.

"Clearly this is your passion!"
Tom projects go quickly and deceptively easy.
Pastor King, York Pa

"I am now the owner of a carriage house with 'Style' thanks to Stonehenge Building. The whole process was quick and painless."
Ryan, Damascus MD

"It looks lovely. We can enjoy being outside once again. The open space is ideal for entertaining and we now have a wonderful view from where I look forward to watching the seasons change."
Lloyd, Point Lookout MD

Tom's patience and artistic eye combined with his professional advice made our home ideas and dreams become realistic projects that grew before our eyes.
Thank you Tom for understanding!
